Dear Sir;

I received your letter and was very glad to hear from you. I hadn't fully planned what I was going to do, but since I've heard from you, I guess I will start with you.

When are you planning to start your Spring training? Will you can write and let me know, and when you get ready for me send my ticket and I'll be there.

As you know I'm married and I'd like to know whether or not I could send for her or not after I've been there as much as two or three weeks. I'm enjoying health fine.

Answer real soon
